

THE TRAINEE EXPERIENCE AT JRC

**Laura Mihai – PhD student
University of Bucharest**

OBJECTIVE

To find the proper institution to continue the studies for my PhD thesis, where I can use the Romanian scholarship and where I can study exactly what I need to complete the thesis.

STEPS

Search the
institution

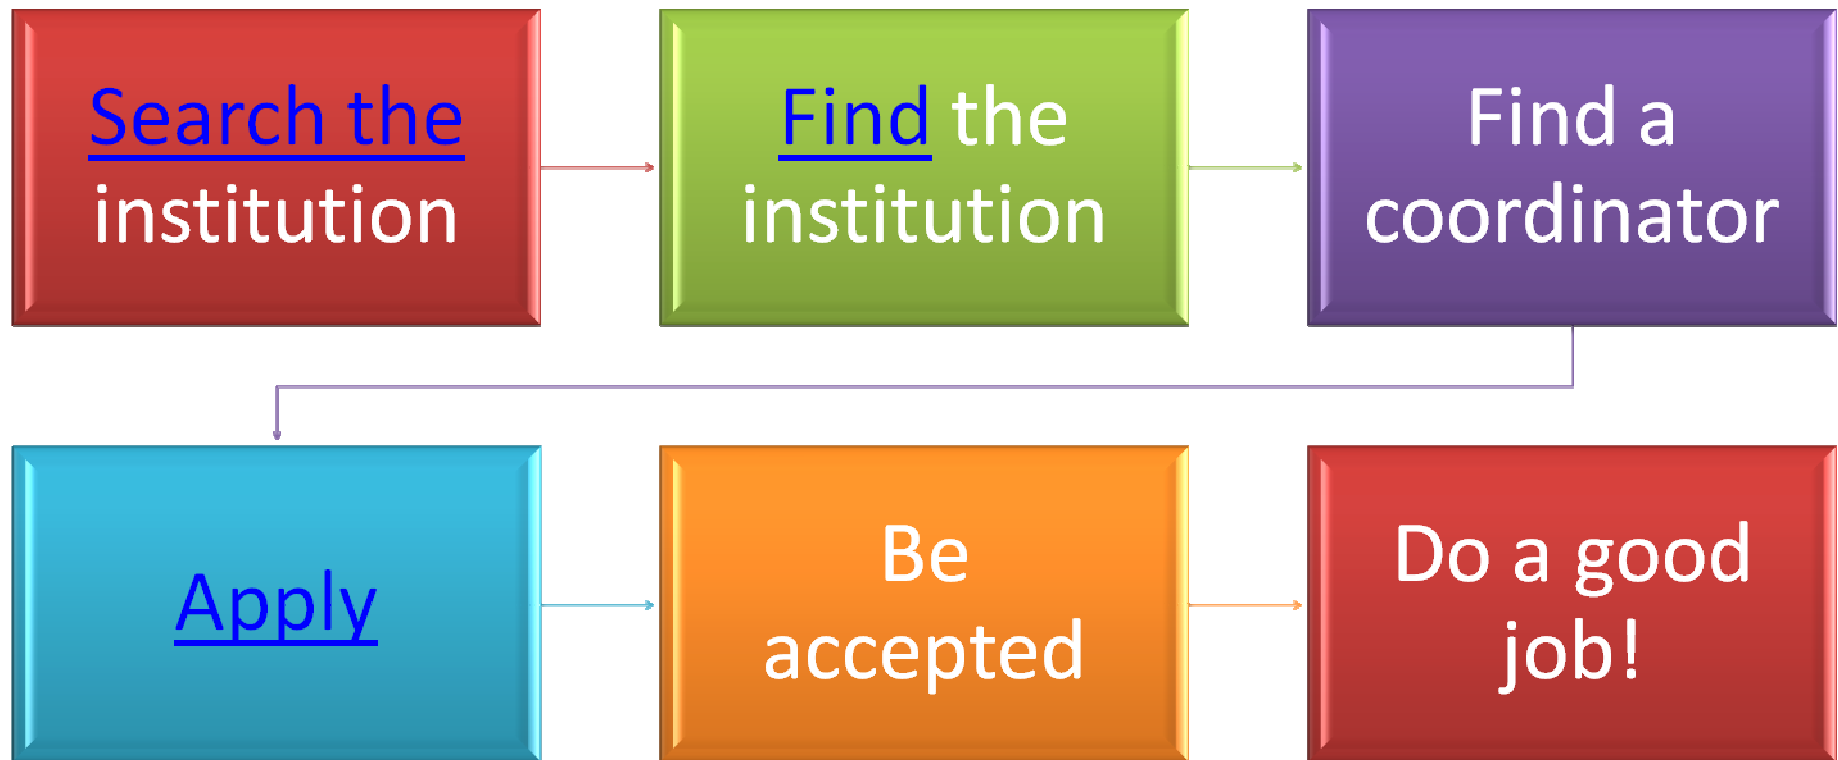

Find the
institution

Find a
coordinator

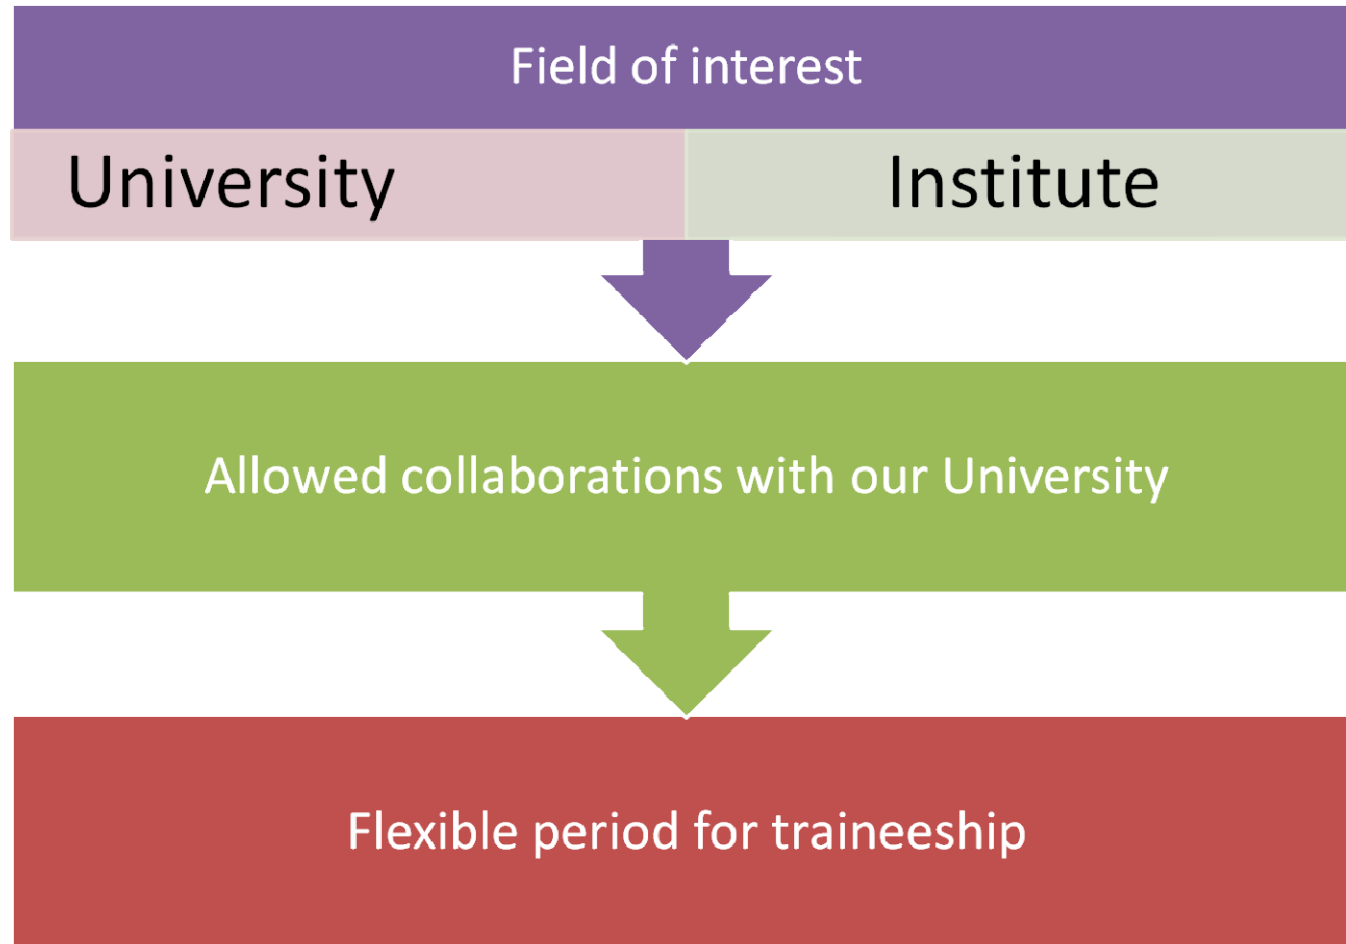

Apply

Be
accepted

Do a good
job!

Objective

JRC - IES - THE
INSTITUTE FOR
ENVIRONMENT
AND
SUSTAINABILITY /
CLIMATE CHANGE
UNIT

Joint Research Centre

- Before arriving, managed the administrative staff
 - The office
 - Accommodation – accessible prices for students
 - Transport from and to the airport

What I gained from JRC?

- The possibility to apply my knowledge and **to learn from experts** in the field
- Qualitative work in an extraordinary working team
- A good research experience

and...I met peoples from everywhere

SUGGESTIONS

- To find what do you want to do
- To **gain experience** in an international and known institution
