*June 3<sup>rd</sup>, SINTEF, Trondheim (Norway)*

*Young European Associated Researchers*

- **Grant Writing Tips - Submitting a Successful EU Project Proposal**
- **European Mobility Programmes**
- **Workshop and YEAR Awards for the Best Project Ideas**

*Come with your original project idea*

*Discuss it with other young researchers*

*Take a chance to win the YEAR Awards 2013*

**YEAR Awards 2013 : 2x 10 000 EUR\***

***June 1-2: Networking into the wild,  
Oppdal (Norway)***

Take a chance to meet other European young researchers during this weekend with rafting + outdoor activities, organised just before the YEAR Workshop, with Young in SINTEF (*SINTEF young researchers' network*). More info soon.

*Online registration:  
**[registration.sintef.no](http://registration.sintef.no)***

*More info:  
**[www.year-network.com](http://www.year-network.com)***

**YOUNG RESEARCHERS  
ARE THE DECISION-MAKERS OF TOMORROW  
START TRAINING THEM NOW**

\* 2 Awards based on our jury's selection, to cover travel costs related to establishment of pre-project. Criteria for project ideas: bold, innovative and initiated by young researchers; at least 3 different European research institutes from 3 different countries should be involved; multi-disciplinary; environment-friendly; sustainable societal and economic impacts; not a continuation of existing projects.
