

NMP REG – 2nd Interregional Learning Event
Bucharest, 7th September 2016

AGENDA

Meeting Venue: Biblioteca Centrala, University Politehnica of Bucharest

Wednesday 7th September 2016

Schedule: 0900 - 1800

Title: Interregional Learning Event 2 – Consortium Workshop and Study Visit

Description: The second event of the NMP-REG project is designed as a forum for continued exchange between partners, with a view to preparing the first project technical deliverable: of requirements for innovation delivery of NMP to manufacturing.

0900 – 1300: Consortium Workshop

Target audience: *the session is open to project partners and invited stakeholders*

0900 - Welcome and Opening

- **Mihnea Costoiu**, Rector of the University POLITEHNICA Bucharest
- **Adrian Curaj**, General Director UEFISCDI
- **Marius Ionut Iovan**, representative from Ministry of Regional Development and Public Administration
- **Iulian Antoniac**, project leader from partner University POLITEHNICA Bucharest
- **Marius Mitroi**, project leader from partner UEFISCDI

09.30 –10.30 Input presentation:

- 09.30 –10.00 Technology Transfer, **Alexandru Marin**, Director of the Technology Transfer Office, University POLITEHNICA Bucharest
- 10.00 –10.30 NANOTECHNOLOGY in New Age Services, **Marius Enăchescu**, Academy of Romanian Scientists

1030 – Introduction to the report for Innovation Delivery Requirements and Meeting Methodology
– **Lorenzo Sabatini** (ASEV) and **Jessica Huntingford** (Resolvo Srl)

11.00 - Coffee Break

11.20 – Participative Workshop on Innovation Delivery of NMP to Manufacturing

Informal round table session with partners and stakeholders, providing initial input to the NMP-REG report on innovation delivery requirements. Each NMP-REG region provides their input to three questions, related to categories of innovation delivery support, specific nature of NMP delivery to manufacturing and their own regional experiences and needs.

13.30 - Buffet Lunch

1430 – 1800: Study Visit and Expert Corner

Target audience: *the session is open to partners and stakeholders. Participation of local stakeholders and other interested public is particularly encouraged for the expert corner.*

14.00-15.00 **Centre for Surface Science and Nanotechnology CSSNT-UPB**, University Politehnica of Bucharest (representative: Marius Enăchescu)

Travel to Sanimed (30 minutes)

15.30-17.00 **Company SANIMED INTERNATIONAL IMPEX** from the sector: biotech, medical and pharmaceutical, advanced materials, chemical processes and engineering.
(representative: Cătălin Hideg)

Travel to University (30 minutes)

1700 - Expert Corner and Networking Event

An expert corner covers cross cutting issues of sustainable development and gender / non-discrimination. The informal, open session is organised during a networking cocktail and is meant to open discussion on the above concepts. It is open to a wider public (including non-experts), including local stakeholders and students.

Lectures:

- Connecting with the nanofutures initiative, **Radu Robert Piticescu** (INCDMNR, representative NANO futures Romania)
- Gender and non-discrimination issues in research, **Ileana Mariana Mateş, Augustin Semenescu** (University POLITEHNICA Bucharest)

1800 - End of Day One
