

1.12 Project monitoring by the Programme Operator

Monitoring plan for the first year of the Programme's operations

For 2012 it is planned to prepare the Programme proposal and to submit it in order to be approved by FMO. The approval is expected to be in December 2012 and the call for proposals will be launched on 15th of January 2013.

The Programme's operations carried out during the first year will be monitored by the Programme Committee during the meetings (2 meetings will take place).

The first meeting will focus on call document and launching the call and during the second meeting the PC will review the annual programme report. The monitoring plan of projects will be prepared by the implementing agency. The dates of the different steps will be agreed upon after the programme is approved.
